Any reference in this Constitution or WBC Rules & Regulations to a vote by the majority of the Board of Governors shall mean, after a voting called by the President, a vote by the majority of total votes cast by all members of the Board of Governors, even though one or more of such members abstain or otherwise fail to cast a vote, provided that a quorum of the Board has voted. Any reference to a 2/3 vote of the Board of Governors shall likewise mean 2/3 vote of the total votes cast by all members of the Board of Governors (or such lesser number of members permitted to vote as provided hereunder), even though one or more such members abstain or otherwise fail to cast a vote, provided that a quorum of the Board has voted. Voting by written proxy, i.e., giving one's vote to another, is not permitted under these ordinary voting procedures. The only exception to this rule is upon the occasion of a Convention or other in-person meeting in which a quorum of the Board of Governors is physically present, in which case an affirmative or 2/3 vote by the majority of the Board of Governors shall mean a majority or 2/3, respectively, of all members present, including any member who may abstain or otherwise fail to cast a vote.

Unless otherwise provided for in this Constitution or the WBC Rules & Regulations, only the two (2) members of the Board of Governors from each member federation, the Treasurer, the Vice Presidents, the General Advisors at Large, the International Secretaries, and any former Presidents, shall be permitted to vote on all matters, with the President voting only in the event of a tie or for a tie.

H. Emergency Voting. If, in the exercise of his discretion, the President determines that it is necessary and appropriate to take an immediate vote concerning a particular matter the resolution of which requires prompt and expeditious consideration, then such an immediate vote may be taken with or without a meeting and in accordance with the procedures established in paragraph I. below. In the event of a meeting, there will be a quorum when the President or Executive Director, on his behalf, and five (5) of the nine (9) member federations are represented either by their Presidents or by duly proxied representatives, with the President (or the Executive Director, on his behalf) voting only in the event of a tie or for a tie. Emergency voting may be conducted in writing, by electronic mail, or by telephone. Voting members may be polled collectively or individually by the President or his designee.

I. Voting System. All voting requests to the Board of Governors shall be called by the President or, in his absence or at his direction, by the Legal Counsel, or other designee on his behalf. Such voting requests may be sent by the President directly or his designee, or through the WBC Executive Office. Voting may be conducted in writing, by electronic mail, or by telephone. All votes shall be returned by the voting members of the Board of Governors directly to the WBC Executive Office or to the President upon his request.

Any member of the Board of Governors who requests his vote to be made known to the Board, shall request it directly to the WBC Executive Office, which will have the obligation to do so.

J. Voting Time Limits. In the absence of a meeting of the Board of Governors, each member must give his vote on any matter submitted to a vote by the President or Legal Counsel within four (4) days after receipt of the request for such a vote, unless a shorter time for response is required and requested, subject to reasonable extensions provided in the discretion of the President or Chief Legal Counsel under the facts and circumstances of each case.

The WBC will give absolute respect to the boxing commissions of each country in each of its member federations, except countries that do not abide by this Constitution and the Rules & Regulations, Championship Rules, and rulings of the WBC.

The annual membership dues for each continental federation shall be as established from time to time by the Board of Governors. The membership dues of any affiliated federation may be waived by the Board of Governors of the WBC if the Board of Governors, in its sole discretion, believes such federation will use such funds to cover the cost of such federation's participation in the WBC or under other special circumstances.

Each member federation shall have the right to two (2) votes on any matter presented for a vote to the membership of the WBC. Each member federation shall have the exclusive authority to determine who will cast the two (2) votes of the member federation.

Any federation not affiliated with the WBC may be provisionally accepted to membership by a 2/3rd vote of the Board of Governors, provided that the federation has fulfilled the requirements for eligibility set forth herein. The federation will be officially accepted for membership only during an annual or special WBC convention. An official representative of the federation seeking membership in the WBC must be present at such convention.

The acceptance of the WBC membership binds the member to abide by all of the conditions of the Constitution and Rules & Regulations of the WBC, and to accept and enforce all decisions of the general membership and the Board of Governors, subject only to any conflicting requirements that may be imposed by law of the member's jurisdiction.
- D. Suspension, Expulsion, or Lesser Penalties for Non-Adherence or Breach of the WBC Constitution, Rules and Regulations, or Rulings. The WBC shall have the right to suspend for a definite or indefinite period of time, or, depending upon the circumstances, expel, impose a fine, or otherwise penalize any member of the WBC, any boxer, promoter, matchmaker, manager, or any other person or organization participating in the activities of the WBC, if such person or organization:

- E. Loss of Membership. A boxing commission or board will lose its membership in the WBC if it ceases to be affiliated with a member federation or may be removed, with or without cause, by vote of Board of Governors. Any other member may be expelled from membership in the WBC, with or without cause, by a vote of the Board of Governors.
